

Can't Call Back Letter, Rules N. Lenox Mayor

A petition signed by some 500 persons asking the New Lenox village board to reconsider its action in ordering Mr. and Mrs. Charles Kerr to remove their store from municipal property was filed with the board at its regular meeting last week.

The petition was presented to the board by the Rev. Ralph Miller, pastor of the New Lenox Methodist church.

"I know this instrument does not carry any legal weight," the Rev. Mr. Miller said, "but I was asked to present it to the board that you men may learn feelings of the public in this matter."

"The signers of this petition include practically all of the merchants and a large number of the voters. And while this petition is not a legal document it does express the moral view point of the signers who ask this board to reconsider its action."

Mayor Lloyd Berlin, who with Trustees Don Wennlund and Joseph Wajchert, was opposed to the sending of the letter ordering the Kerrs to vacate what is alleged to be village property, ruled that under parliamentary rules he could not entertain a motion to call back the letter if one were introduced.

The mayor also kept a tight rein on the proceedings, indicating that while any one present might express his or her views he did not intend to allow the meeting to turn into a session of the Catch as Catch Can. No Holds Barred Debating Society. And it didn't.

Former Mayor Howard Ayres was allowed to make a speech in which he protested against the sale of the land to the Kerrs. Mrs. Albert Valack, another in the audience, said she didn't see why the board didn't sell a portion of the village lot to the Kerrs, inasmuch as it was not their fault that a mistake had been made in the survey. There may be other property in the village in the same category, Mrs. Valack added, with the owners ignorant of the fact.

According to the claim of the village board a survey of library property disclosed that the Kerr store encroached approximately 28 feet on a lot owned by the village. The Kerrs followed a survey made for them at the time they were preparing to build, and the building was laid out accordingly.

It was brought out at the meeting last week that Ayres was mayor when the difference in the surveys was discovered, but that no action was taken at that time.

Trustee Evert Merfelt, one of the four who voted to oust the Kerrs—the others were Charles Battle, Carl Becker and Noel Elliott—demanded of Berlin why he wanted to sell to the Kerrs that part of the village lot occupied by their store.

"Because I think that is the right thing to do," the mayor answered.

No action was taken regarding some property of Wish Walsh which is said to obscure the views of the traffic light at Rt. 30 and Cedar rd. for drivers approaching the intersection from the north, but it was said that the trustees are favorable to a compromise under which the overhang on the southeast corner of the building would be rounded off. It was said this would give a clear view of the traffic light. The only other way it could be done, it was said, would be to tear off the entire end of the building, and that was thought to be unnecessary.

Mr. Walsh gave seven feet of his property along Cedar rd. to the state sometime ago, he said.

Mrs. Burton Gillette appeared at the meeting to ascertain if the village has approved the grading and surfacing of John st. The portion improved is some 800 feet long. Mrs. Gillette said the property owners wanted to know if the work has been approved so they could complete their pavements. The village has taken no action yet, she was informed. The village and the county both have to approve the job as a part of the street is in the county.

Burglars Score At Restaurant With \$90 Haul

Burglars made off with \$40 in cash and \$50 in merchandise at the Lincolnwood Drive-In on Route 30 last Sunday night, according to the report made to the Will county sheriff's office by Bern Larson, operator of the restaurant.

Entry was gained by forcing a door. Investigators are inclined to believe the burglars were juveniles as a large number of candy bars was among the merchandise taken and that a considerable quantity of candy was consumed on the premises was evidenced by the number of paper wrappers found there.

Methodists Try New Method of Church Building

The Rev. Ralph L. Miller, pastor of the New Lenox Methodist church for the past 11 years, has been called to an assignment that will take him to Rockford to direct a new venture in Methodism. His successor has not been named.

The Rev. Mr. Miller is being sent to a new residential section in Rockford. There is no Methodist congregation there; there is no church; there is not even a church site.

It will be up to the Rev. Mr. Miller to seek out a congregation, to acquire a site and to build a church and a parsonage, a challenge indeed to his abilities, his diplomacy, his persuasiveness and his qualities as an administrator.

It should be said at this time that these are the qualities that caused the Rev. Charles W. Brashares, Methodist bishop of Illinois, to select him for the task.

The project will be conducted thru the board of missions and church extension of the Methodist church. To put a pastor in a new field on a full time basis is a departure from the practice that has been followed in the Methodist church, it was explained, so the program is something of an experiment. The usual procedure has been to build more or less on an installment basis—the foundations and basement first with services held there until such time that the rest of the church can be built and equipped.

That might take months—or it might take years.

Under the plan to be followed in Rockford when the church is begun it will be finished.

The church there is to be known as Christ Methodist church and is to be located in the High Crest district, in northeast Rockford.

This is a new area of several square miles made up of residences that range from \$20,000 to \$50,000. There is a grade school there and the development is also served by East Rockford high school. There are seven Methodist churches in Rockford now. Christ church will be the eighth.

The Rev. Mr. Miller is a native of Joliet and his father, Fred Miller, resides in Ridgeview on Leach avenue. His mother died some years ago.

He came to New Lenox as pastor 11 years ago while he was still a student in divinity school. Since he has been in charge, the New Lenox church has grown from 190 members to approximately 600, and the Sunday school that had 100 pupils, now has 383. A new chancel has been installed, as well as new heating plant, and the congregation has also purchased an organ. The Rev. Mr. Miller has an excellent singing voice and under his direction the church choir is one of the best in the entire area.

The New Lenox church is ready now to launch a much needed building program itself as it is now using rooms at Haven school for the Sunday school and two worship services are held each Sunday to accommodate the parishioners. But the growth of the church now will be under the direction of a new pastor, who has not yet been named. He will be appointed soon by Bishop Brashares.

The Millers are to leave New Lenox next week and the Rev. Mr. Miller's last services here will be conducted Sunday.

There is to be a farewell reception tendered the Miller family Sunday afternoon at the church from 2 to 5 o'clock.

The affair is to be sponsored by the women of the church. The Rev. and Mrs. Miller and their 7 year old daughter, Kathy will move to Rockford immediately and their address for the time being will be Latham rd., Rt. 6. They have two other daughters, Kay, 18, who was graduated from Lincoln-Way high school last year and is now employed in the Travelers Insurance Co. office at Chicago, and Karen, 15, who is a sophomore at Lincoln-Way. Kay will continue with her present employment and Karen is to stay on in New Lenox until the close of the current school year.

The Millers are a popular family in New Lenox and it will be with deep regret that their fellow townsmen will see them leave as the Millers have in going.

The Rev. Mr. Miller has many friends in New Lenox, outside of his parish as well as within it.

"I love New Lenox and its people," he said, "and while I leave here with the deepest regret I feel that inasmuch as I have been called for this new program it is my duty to accept. It is a great responsibility and to think that it has been placed on me makes me very humble."

Everyone in the community and area is invited to the farewell to be given the Millers Sunday.

High Schools Plan Music Festival; Set Concert Date

A musical event that is expected to attract large audiences is to be held at Lincoln-Way high school in the spring.

The annual Southwest Suburban high school conference music festival is scheduled for April 19 and 20.

The affair will be climaxed by a joint choral and band concert.

Last year the event was held at Bremen high school with approximately 400 students participating and it is expected that a similar number will take part in the program this year. All the schools in the conference—Lincoln-Way, Bremen, Carl Sandburg, Rich, Evergreen Park, Oak Lawn and Reavis—will be represented.

Practice sessions will be held throughout the day on the 19th and 20th of April with the concert to be given the night of the 20th.

Thomas Williams, choral director of Knox college, Galesburg, will direct the chorus while the massed band will be conducted by Paul Yoder, prominent composer who specializes in music for the schools.

Escape Injury in Crash Landing

A Piper Cub crash landed on the Arthur Nieland farm, Ridge land rd. and Harlem ave., Rt. 1, Frankfort, four miles south of U. S. 30 Tuesday afternoon and the two occupants of the plane walked away from it. Neither was injured.

The pilot was James J. Holloway, 32, of 123 West 103rd Pl., Chicago, and the passenger was George J. Dolak, 51, of 9645 S. California ave., Chicago. The plane had been rented from the Howell airport, 132nd and Cicero ave.

Holloway told sheriff's deputies that the engine had failed and he was bringing the plane down for an emergency landing on an open field on the Nieland farm, about a quarter mile from the house. Coming in the left wing hit a tree and was folded back against the tail. Despite the rollover was able to land the craft without incident. The two men were taken to the airport by state police.

Marley Residents Urge New Bridge to Eliminate Detour

Since the bridge over the creek in the village of Marley collapsed recently when a large truck went over it, travel to and from the village to attend church, business or visit friends and relatives entails a detour of many miles.

Therefore, in order to see what can be done to remedy this condition a delegation of 11 persons, headed by the Rev. Herschel Aseltine, pastor of the Marley Community church, called on the superintendent of highways, James McCarty, in his office in Joliet Monday.

They laid their problem before Mr. McCarty showing how the loss of the bridge is a severe handicap to the residents and asked what is being planned to overcome it.

A meeting has been called for this Friday evening at 8 o'clock in the Marley church, to hear the report of this delegation and perhaps see what further can be done. Everyone interested in this problem is urged to attend this meeting.

New Term of Adult School at Lincoln-Way Will Begin Jan. 24

Now is the time to plan to enroll in classes of the Adult Education program at Lincoln-Way high school. Registration will be Thursday, Jan. 19 and classes will meet a week on Tuesday for ten weeks starting January 24.

Clothing construction, a popular choice, will again be offered this semester. A class member may do beginning work or tailoring or any phase of sewing between these two, as emphasis is placed upon individual projects. Mrs. Florence Butler will teach the course.

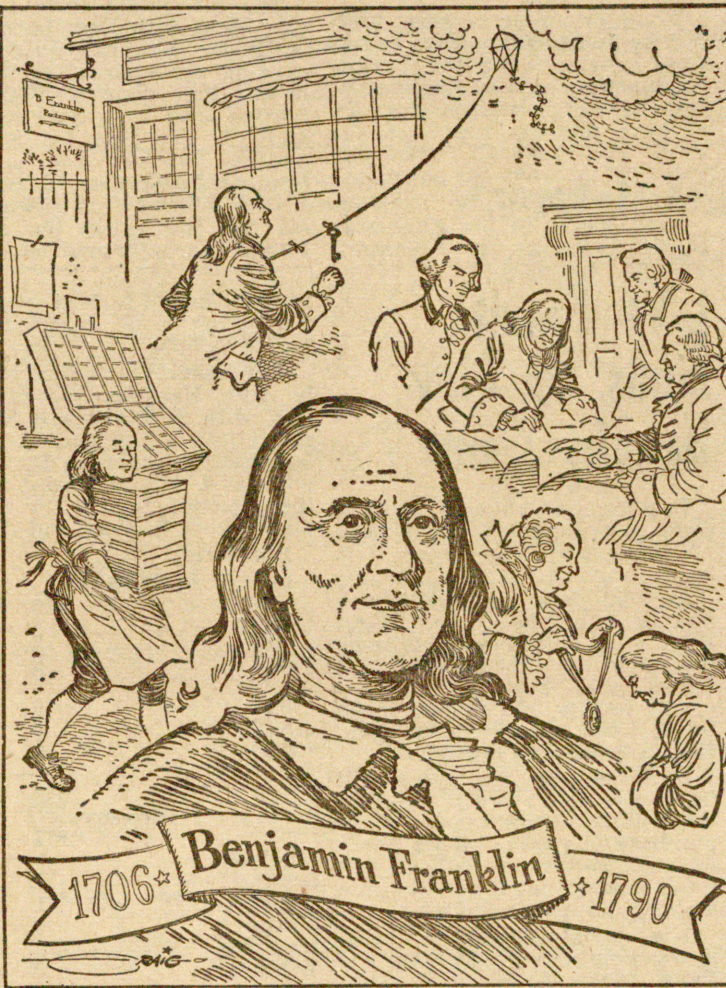

There is an opportunity to progress in sewing ability and to get help on fitting of garments.

J. Bryce Sardiga will teach business courses in the fields of typing, shorthand, and office machines.

Evening classes in vocational agriculture similar to those offered the first semester will be offered second semester. They include a course in general agriculture, 7:00 to 9:30 p.m. on Tuesday. Subject matter can be divided to include meetings on livestock, soils and crops and farm management.

A course in farm machinery maintenance, repair and adjustment will be offered from 7:00 to 9:30 p.m. on Thursdays. Farmers will be given an opportunity

A GREAT AMERICAN

Next Tuesday, Jan. 17, will be the 250th anniversary of the birth of Benjamin Franklin, whose greatness as an American patriot, diplomat, philosopher, grows with the years.

Franklin's was the only name signed to all four basic documents of our beginnings: The Declaration of Independence, the Treaty of Alliance with France, the Treaty of Peace with England and the Constitution.

Many of the principles he promulgated have a particular significance for us today. He stood for local as against federal action; he urged that federal taxes be kept down thru thrift and economy. With all his full activities in science and industry he still found time, when asked, to engage in public service for the good of his country. He was a truly great American.

Lions Induct New Members

Five new members were inducted into the Mokena Lions club at its regular meeting last Thursday night in the Lincolnwood Drive-In. The ceremony was conducted by the club president, Ray Westlund and Attorney Raymond Hoolehan.

The new members are: Fred Werner, Willard Munch, Carol Roberts, Joseph Bernardin and Harry Fee.

Guests were John Williamson and Donald Bost.

Lyman Tesague, a member of the club who is associated with an insurance firm in Chicago, showed two movies dealing with insurance matters. One of the pictures dealt with fire.

Moves Business From Chicago to N. Lenox

A new business is to be established in New Lenox.

John L. Matasovic, who owns farms near Mokena and has a business in Chicago, is to move his business to New Lenox.

He has been operating the Universal Welding Supply Co. and the Oxo Welding Equipment Co.

Mr. Matasovic has disposed of his Chicago interests and has bought the building on Oak st. in New Lenox which formerly housed the Ceward W. Batson implement company.

Park Board Elects Officers

The Mokena park board held its regular organizational meeting Monday night of this week at the village hall and elected officers for the coming year.

Charles Swanberg was re-elected president for the coming year. Other officers are: Warren Manker, vice president, Mrs. Hugo Niethammer, secretary and Wesley Cappel, treasurer.

The entire membership was present at the meeting this week. Besides the officers already listed, members present were Mrs. George H. Bills, who was reappointed publicity chairman by Mr. Swanberg, T. Arthur Shoop and the other new members besides Mr. Cappel, Charles Burkhardt, Jr., Harry Fee and George Carlisle.

Mr. Swanberg made a welcoming address to the new members in which he told them that the big thing about a place on the park board was the compensation—the satisfaction of doing a good job for the community.

The board, which has been meeting on the first Monday of each month, decided to change the meeting night to the second Thursday this year. The sessions open at 8:15 and the next meeting will be Feb. 9.

A call for volunteers to clear more ground for picnic area has been issued by Mr. Swanberg. This work will be done later this month and next, weather permitting.

Adults as well as children are using the skating surface at Memorial park—when the weather permits. The skating surface is maintained by the Lions club of Mokena. A wire fence has been erected to mark off the parking area at the skating pond.

Will County to Sell Its Farm Machinery, Livestock at Auction

The county of Will is to have an auction sale two weeks from today, Jan. 26, at what was the county farm in Troy township, near the south end of the Memorial stadium.

The county sold the farm to the state for use as a diagnostic center for juveniles sent along to the youth commission by various courts for final disposition.

The inmates at the county farm will be transferred to a wing at Sunny Hill sanitarium later and a new sanitarium is expected to be built or else a large addition made to the present plant.

In the meantime there is machinery, livestock, poultry and miscellaneous items on the farm that the county board desires to sell. As a result an auction will be held. The sale is scheduled to begin at 10 a.m. Jan. 26, according to a notice sent out for the board by State's Attorney Frank H. Masters Jr. The sale will be on a cash basis.

Expert Finds Comic Books Guide to Crime and Violence

Too many comic books are guide for crime, according to "Seduction of the Innocent," a book by Frederic Wertham, which Mrs. L. T. Friedly, Jr., of Lemont, reviewed at a meeting of the Tinley Park PTA last Friday night. The meeting was held at the Tinley Park school.

The connection between comic books and juvenile delinquency has been proved, according to Wertham who is a doctor of medicine and a specialist in nerve and mental diseases. A native of Germany, Wertham received most of his formal education in his native land and England but has been identified with John Hopkins hospital and medical school at Baltimore and with New York hospitals as a neurologist and psychiatrist. He has made an intensive study of the relation between so-called comic books and juvenile crime and he is convinced there is a definite link.

The author has questioned and talked with hundreds of youngsters who have become court wards as well as with children who have not yet become law violators.

There are some 90 million comic books published every month, Mrs. Friedly said and until approximately a year ago there was no attempt made to

control them. Now a committee authorized by congress examines the output and those that meet with approval are stamped with a square seal on the cover. This does not mean that the objectionable type cannot be printed. They can and are, Mrs. Friedly said.

Many of these books are blue-prints of crime, she went on, and gave a couple of examples found by Wertham.

In one case the robbery of a store was successfully carried out. Later when the juvenile bandits were apprehended it was found that they had to follow a plan that had been outlined in detail in a so-called comic book.

In another instance a boy was found hanging from a raftie while his companions were pursuing the details given for the hanging in a comic book.

Ninety-seven comic books teach that crime pays to one that teaches otherwise or deals with some type of subject matter, Mrs. Friedly said.

The major responsibility for combating the evils taught thru comic books lies with the parents of growing youngsters, according to the author. Children, he points out, must have moral teachings; they must be taught to follow good instead of evil.

Mokena Man Suffers Head Injuries in Fall from Train

Arthur Kuehl, 57 years old, of 4 East 2nd st., Mokena, is in Silver Cross hospital for treatment of head injuries suffered Tuesday night when he fell from a moving Rock Island passenger train at the Mokena depot.

The victim is employed in the mail department of the Rock Island at Chicago and was returning home when the accident occurred. He is said to have started down the car steps when he slipped. Kuehl made a grab for the hand rail but was unable to avert a fall. He struck the ground with his head, inflicting several deep lacerations, according to Dr. E. G. McMahon, who is attending him.

Whitney Carter, the Mokena station agent, took Kuehl to the hospital in Joliet. In the meantime a call had been made to Joliet for an ambulance and one was dispatched to Mokena by Gerald Dames and Sons, but it was not used.

Death Claims Mrs. Urbanski, 63, Of New Lenox Twp.

Mrs. Michalena Urbanski, 63, died in the home of her daughter, Mr. and Mrs. Rudolph Kurat, Storm road, New Lenox township, Jan. 2, following a long illness.

Born in Warsaw, Poland, Mrs. Urbanski came to this country alone as a young girl and made her home with her sister in Chicago, where she also met her husband. After his death she remained in Chicago until 13 years ago when she moved with her daughter to New Lenox township.

Surviving beside Mrs. Kurat is another daughter, a son, 13 grand children, three great grandchildren and a sister in Texas.

Funeral services were held in the Sonntag funeral home in Joliet Jan. 5 with the Rev. William Riemann of Mokena officiating. Burial was in Maplewood cemetery in New Lenox.

Radio Personality Will Address PTA

Earl Nightingale, of radio station WGN, known as an interesting speaker, has been engaged by the PTA council of the east Will county area to address them at their forthcoming Founders Day banquet.

The banquet will be held Thursday evening Feb. 2 at 6:30 in the Bocher Community hall. The group is happy of Mr. Nightingale's acceptance of their invitation, as he is much in demand as a speaker. He will choose his subject.

SEEKS INFORMATION
A real estate company's representative was in Mokena Saturday looking for Audrey Brown and her wife Ethel M., who were residents of this area some years ago. It is claimed that the Browns left Mokena about 30 years ago, and locating them would be to the Brown's benefit.

Goodwill Group Seeks Clothing

An urgent appeal is being made to the citizens of Chicago and suburbs for all types of mens', womens', and children's clothing which is desperately needed to maintain our present staff of handicapped people who sort and repair clothing at the Goodwill plant, 1500 west Monroe street.

Due to a decline in operation and an increase of production costs the handicapped employee's jobs are now in jeopardy and Goodwill needs clothing to keep these people employed. No matter how small your clothing contribution, it will go a long way in keeping handicapped employees jobs secure and your clothing donation will also serve to hire many of the city's handicapped people.

William Ragolio, executive director, expressed the hope that more Chicago families might become acquainted with the work being done by Goodwill in offering "not charity, but a chance" to those unable to keep pace with regular employment.

Each year Goodwill employs about 500 people with physical, emotional or mental handicaps who but for this opportunity would be forced to live on charity. There are 110 Goodwill plants thruout the United States.

MARCH OF DIMES
January 3 to 31

A special congregational meeting and quarterly conference of the Frankfort Methodist church has been called for Sunday, Jan. 22 according to Rev. Ben F. Day, pastor. Dr. R. Merrill Powers, district superintendent of the Joliet-Dixon district, will be present at the regular 9:30 am worship hour to conduct the meeting.

An abbreviated worship service of one half hour duration will begin the meeting. Dr. Powers will preach, Rev. Day said. Immediately following the devotional service Dr. Powers will call the congregational meeting to order to discuss the report of the building committee and make further plans for the building project.

The recommendations of the building committee to relocate a new building on a new site have been accepted by the official board and will be presented to the congregation at this special meeting. Whether the recommendations of the committee are to be followed in the building project must be decided by the congregation.

It is urgently important that all members of the church be present for this important meeting, Rev. Day emphasized. It is hoped that some provision for more adequate christian education facilities and worship might be provided in the very near future thru a building project.

Mrs. Cappel Returns To School Duties

Teachers and pupils of Mokena public school and the many friends of Mrs. Elizabeth Cappel, principal of the school, are happy that she has improved so much in her health that she has been able this week to return to her school duties four hours each day.

All are hoping that her improvement continues so that she can be back in school full time.

Mrs. Cappel, with her husband Albert acting as proxy, is again chairman for Mokena for the March of Dimes. He has placed coin containers in the various business places of Mokena.

Teachers of Four Grade Schools to Attend Work Shop

Youngsters in the Mokena, Frankfort, New Lenox and Manhattan grade schools can be absent late next Wednesday morning, as far as school is concerned.

Classes will be excused for a day Jan. 18 in order that the teachers in Districts 122 (New Lenox), 159 (Mokena), 157-C (Frankfort) and 114 (Manhattan) may attend an art work shop to be conducted in Haven school, New Lenox by William Bealmer, director of art education in the office of the state superintendent of public instruction at Springfield.

The workshop hours are from 9 a.m. to 12 noon so there will be regular class schedules followed in the four schools in the afternoon.

Frankfort Noses Out Laraway Five; Meet Manhattan Tonight

Frankfort grade school basketball team divided a brace of games with Laraway in Des Plaines Valley conference play, the heavies coming from behind in the last quarter to win 33 to 32 which the lightweights lost to Laraway 34 to 26.

Frankfort majors were trailing by seven points late in the final quarter when the passing combination of Jim Englebrecht and Glenn Patterson began clicking and by the time the final gun sounded Frankfort was out in front by one point. One was enough.

High scorer in the game was David Robinson, of Frankfort,

with 16 points.

Frankfort will be host to the Manhattan grade school five to night. The pony contest is to begin at 7:30 o'clock with the heavyweight game to follow.

The Manhattan team had an easy time with New Lenox last week in the heavyweight tilt, running up a count of 22 to 2 in the first quarter. Manhattan coasted then to a final score of 36 to 17. The New Lenox lightweights, however, went to town, blasting Manhattan 30 to 10.

Tom Peterson of Manhattan led the scoring in the heavyweight encounter with 18 points.

Powers had his best night of the season as he laced the nets for 16 points.

The Heavies won just as easily with Haehnlein leading the way with 20 points and Seavetson with 11. The double victories kept the Lights in first place with a 4 and 0 record, while the Heavies remain in second place with 3 wins and 1 loss.

CARD OF THANKS

I want to extend my sincere thanks for the many cards sent to me while I was in the hospital.

EMMA SENGLEN.

Mr. and Mrs. Cale Wilson are the proud parents of a son, Timothy John, born Dec. 26, 1955.

Mrs. Leo Senglen is doing nicely at home following surgery in Silver Cross hospital, recently.

Mrs. Jake Bost, of Hillsboro, is visiting with her son and family.

Mr. and Mrs. Chas. Cervenka have returned from a four weeks' southern vacation. They drove to Key West, Fla., flew to Cuba for a few days, and enjoyed a cruise to Nassau. One of the many highlights of their trip was swimming at Paradise Beach in Nassau on Christmas day.

Johnnie Weissmuller at one time held every free-style swimming record.

The Continental Divide is formed by the Rocky Mountains.

Motorists in Council Bluffs, Ia., recently encountered one of the worst traffic jams in that city's history. According to the Chicago Motor club, when the irate drivers got to the head of the line, they found out what caused the jam: officials were stopping all drivers entering the city and requesting the motorists to answer questions on the origin, gain and destination of their trips. The purpose of the surprise jams... to eliminate traffic jams.

Celebrate 60th Anniversary

January 1 was more than the beginning of a new year for Mr. and Mrs. H. Nelson Dickinson, 354 E. School st., Covina, Calif., and formerly of New Lenox. It was the 60th anniversary of their wedding. The happy occasion was celebrated quietly at their home with members of their family and a few close friends dropping in to offer congratulations.

The Dickinsons have been a part of the Covina community life since 1926. Mr. Dickinson owned and operated a feed store there until 1947 when he retired. Mr. Dickinson and Miss Bar-dae L. Turner were married Jan. 1, 1896 at Wilton Center, after which they moved to New Lenox where they operated a grain, lumber, coal and general store for over 20 years. The Dickinsons lived in the former Henry Fink home, west of the bank, now owned by Walter Jarchow, and operated their grain and coal business from the elevator now owned by Sheldon Hauck, and his general store in the same building that now houses the local IGA, owned by Lloyd Berlin, John Berlin and Eddie Kabat. Mr. Dickinson also served as postmaster in New Lenox during the term of President Wilson.

The Dickinsons have two daughters living in Covina; Mrs. W. R. Lowery who makes her home with them, and Mrs. Wal-nut, who lived in New Lenox for many years, before moving to Calif. The couple have eight grand children, and 15 great grandchildren, all living in California, but one grandchild, Mrs. Ted Rowswell, the former Alta Urch, and her three children, Tom, Janet and Raymond live in New Lenox.

Mrs. Glenn E. Ames Hostess to Dorcas Circle at Luncheon

Dorcas circle members enjoyed pot-luck luncheon at the parsonage with Mrs. Glenn Ames Wednesday noon, January 11. The school barbeque luncheon is planned for Wednesday, Jan. 18 in the social hall of the church. On Tuesday evening the Ruth circle with Mrs. Robert Rich, chairman met at the Don Hollingshead home; the Miriam circle with Mrs. Jesse Nugent, chairman gathered at the Verne Puffer home and the Martha circle met at the home of Mrs. Alfred Brown with Mrs. James Marshall as chairman.

All circles have various projects in progress and will report progress at the next general meeting in the near future. Esther circle will meet tonight, Jan. 12. Mrs. William Schellhase is chairman of this group which is composed of working women who cannot attend the day-time Dorcas group.

Zion Ladies Aid Begins New Year; Programs Ready

Zion Ladies Aid held their first meeting of 1956 Jan. 4 with 42 members and one guest, Mrs. Delores DeTalent, present. The Rev. Randolph Hahn installed the new officers. The fancy-work group met at

the home of Mrs. Agnes O'Neill Jan. 11 at 1:30 p.m. Members are invited to join this group anytime during the year.

On Friday evening, Jan. 20 at the home of Mrs. William Marquardt, the Rug committee plans to meet. Their schedule will include one meeting per month.

The yearly programs were distributed. Any member that has not received her program is asked to contact the Aid president.

A bake sale is planned for Friday, Jan. 27 at Vogt's store at 8 p.m.

Mrs. William Lanfrusti, treasurer was reported ill. The film strip entitled, "Guide for the Servant" was presented by Rev. Randolph Hahn.

Coffee and cake were served by the executive committee at the conclusion of the afternoon.

Woman's Club to Hold District Session Jan. 30

The mid winter meeting of the Third District IFWC, Mrs. Howard A. Bertram, president, will be held Monday, Jan. 30, at 10 a.m. at Ridge Park field-house, Longwood drive and 96th street. The invocation will be given by Mrs. William T. Ewing, former third district president and the pledge of allegiance will be led by Mrs. Elliott K. Bobbe, American Citizenship chairman.

Guests of honor will be Mrs. George V. Malmgren, vice president director of Northern Region IFWC, who will speak on "Redeeming the State" and Mrs. Lucius Patton, state press chairman, whose subject will be "Publicity."

The speaker of the morning will be Mrs. Melville Muckleston, director of women's activities, region four for the federal civil defense administration, whose topic will be "Civil Defense and You." Benediction will be given by Mrs. Walter DeMik president of Lansing Woman's club.

The Beverly Hills Woman's club chorus, Mrs. Henry Auerbach director, will open the afternoon session. The speaker will be Alice Graham Winters, whose talk is entitled "Once There Was a Woman" and who will use dolls dressed to represent the women about whom she will speak, which will coincide with the general theme of the day, namely "Citizenship."

Hostess clubs are Beverly Hills, Mount Greenwood and Orland Park Woman's club. Reservations should be made before Jan. 25.

Jolietan to Speak At Frankfort Woman's Club

Mrs. Eugene A. Kazmark of Joliet will be the speaker at the meeting of the Frankfort Woman's club to be held in the Methodist church next Tuesday evening, Jan. 19 at 7:30 o'clock. Mrs. Kazmark will speak on the subject, "Facial Character Readings" and it is said that she is an interesting speaker.

Hostesses will be Mrs. Frank Heisner, Mrs. Erich Bizer, Mrs. Conrad Oetter, Mrs. Arthur Lambrecht and Miss Viola Lankenau.

Scout Trail

Tinley Girl Scouts Senior Girl Scout Troop 268 wishes to express its gratitude to the following who contributed to the Christmas display in the parking lot at the Rock Island depot: Ralph Dini, Clarence Fulton, Henry Brueggemann, Fred Schlunds and Henry Bettenhausen.

A party was given by the Senior Girl Scout troop Wednesday, Dec. 28. After a period of ice skating, the boys and girls went to the home of Mrs. Shirley Kappel where they enjoyed dancing and refreshments.

On Jan. 7, Miss Marion Andres, a registered nurse, gave a talk on nursing as a profession at a meeting of the Senior Girl Scouts. It proved very interesting to the girls. Senior Girl Scout troop enjoyed a splash party at the Thornton Swimming pool in Harvey Jan. 9.

An all day affair was enjoyed by Mrs. Sidney Feiwel's Brownie troop on Tuesday, Dec. 27. They made a tour of the Tinley Park Dairy, and Service Bakery. Between tours they returned to Mrs. Feiwel's home for games. They then partook of a nosegay lunch and Mrs. Arthur Hansen, co-leader, showed various movies. There will be a mothers meeting Jan. 17 at the home of Mrs. Sidney Feiwel to discuss plans for the next few months.

Sarouk, Kirman and Kashan are the three most popular modern Persian rugs.

Parent-Teacher Group News

The Tinley Park PTA held its January meeting Friday, Jan. 6 in the Tinley Park school.

The meeting was called to order by Mrs. Percy Jochum, president and the Rev. Carl Hoeh of the Trinity Ex. Lutheran church gave the invocation.

Mrs. Feulner, secretary, read the minutes of the meeting of Oct. 7, 1955 as well as the minutes of the executive board meeting of Jan. 2, 1956.

Mrs. Freund, treasurer, gave her report. Announcement was made of the partial remodeling of the kitchen at the Tinley Park school by Blitz and Paul, who did this work at cost, with no charge for labor.

A motion was made, seconded and carried, to purchase a plaque honoring the past presidents of the Tinley Park PTA. A nominating committee consisting of Mrs. Elmer Knudsen, Mrs. W. J. Nelson and Mrs. D. H. Crapser was appointed to prepare a slate for the election of new officers at the March meeting.

Room count was taken by Mrs. Shantz and Mrs. Beuman with the award going to Miss Sweeney's room in the Bert Fulton school.

The fifth grade mothers provided and served refreshments, and the fourth grade mothers conducted the bake sale.

Mokena Man to Head Quarter Century Club

Herman J. Munk, Route 1, Mokena, will be installed as president of Commonwealth Edison Company's Quarter Century club Saturday, Jan. 14 as the utility's veteran employees and service annuitants hold their annual meeting at a luncheon in the Conrad Hilton hotel.

With the company almost 48 years, Munk is a supervisor in the service and meter department. His long service record is topped by only two other active employees.

All employees of the company who have completed 25 years service are members of the Quarter Century club. Total enrollment is 3,862, including 125 employees who have been with the utility 40 or more years.

CHRISTIAN SCIENCE CHURCHES

Man's God-given right to health and healing will be emphasized at Christian Science services Sunday, January 15th, in the Lesson-Sermon on the centurion's servant who "was subject of 'Life'."

Christ Jesus' healing of the sick, and ready to die" (Luke 7) will be among the accounts of the life-giving power of God to be read from the King James Version of the Bible. Correlative passages from "Science and Health with Key to the scriptures" by Mary Baker Eddy will include the following (369:16): "Jesus never asked if disease were acute or chronic, and he never recommended attention to laws of health, never gave drugs, never prayed to know if God were willing that a man should live. He understood man, whose Life is God, to be immortal, and knew that man has not two lives, one to be destroyed and the other to be made indestructible."

Mercantile Firm Executive Heads Cancer Crusade

Drummond C. Bell, vice president and personnel director of Montgomery Ward and Co., will be state chairman of the 1956 Crusade of the American Cancer society in Illinois. His acceptance was announced today by Edward Foss Wilson, president of the Society's Illinois Division.

In announcing the appointment, Wilson, who is chairman of the board of Wilson and Co., said "we are indeed fortunate to have a man of Mr. Bell's ex-

Drummond C. Bell

perience in business and dealing with people to spearhead the statewide efforts."

As chairman of the crusade, Bell will lead more than 60,000 Cancer Crusaders, who will conduct an intensive campaign during the month of April throughout the state of Illinois. Last year, \$1,258,738 was raised to further the society's programs of research, education and service.

The new chairman attended John Hopkins University in Baltimore, Md., and is a member of the John Hopkins Alumni association. Bell who lives at Northfield with his wife and two sons is also a member of the Comp-trollers Institute of America, Chicago chapter, and the committee on industrial relations of the Illinois Manufacturer's Association.

Dairymen Can File Now for 'New' Status

Dairy farmers who ship Grade A milk to the Chicago market will have an additional 15 days to request a "new producer" status under the level production plan of milk production.

A. L. McWilliams, general manager of Pure Milk Association, said today that the U. S. department of agriculture announced the extension of the deadline. Previously the deadline on requests was December 13. The time was extended to Jan. 15. Requests must be made to the Federal Milk Market Administrator of Order 41 in Chicago.

The level production plan is a part of the regulations of the Federal Marketing Order 41. This Order regulates Grade A milk handling in most milk

plants in Wisconsin, Northern Illinois, and Northwest Indiana.

Under the level production plan each dairy farmer sets a "base" through an average of his milk production during the months of September, October and November. This base or average production receives a higher price during the months of March, April, May and June. All milk produced over the base during these months receives an "excess price" which is 40 cent a hundred lower.

A dairy farmer may request a new producer status if his base is extremely low. Under the new producer status 65 per cent of his milk production, regardless of volume, will receive a base price in March; 60 per cent in April and 55 per cent in May and

June. The rest of the milk will receive the excess price.

The extension in the deadline on applying for a new producer status was requested by Pure Milk association during a federal hearing held in Chicago on July 5.

Mr. and Mrs. Fred Nitsche were dinner guests on Sunday of their son and family, the Richard Nitsche of Orlando Park.

Mr. and Mrs. Dallas Webster were Friday evening guests of the Paul Millers in Bremen Heights. The Websters entertained dinner guests on Monday of the past week. Those present were: Mr. and Mrs. Theodore Abel of Hammond, Mr. and Mrs. Henry Clark and Mr. and Mrs. Ed Bruiser of Mokena.

Miss Dorothy Matusewicz was a houseguest of Barbara Manning in Walnut Ridge, Arkansas during the holidays.

Melvin F. Mayer, son of Carl Mayer, 16754 New England ave., Tinley Park who enlisted with the Air Force has completed his basic training at Lackland Air Force Base. This base is near San Antonio, Texas. He is awaiting assignment for technical training.

Mrs. LeRoy Hafstad entertained Circle one of the Woman's group of the Church of Christ at a luncheon on Thursday afternoon. Eight ladies were present to enjoy the beautiful Christmas decorations and delicious luncheon fare.

Mr. and Mrs. Albert Bettenhausen and daughters returned Jan. 7 from a vacation in Florida. They visited friends in Tampa, and made trips to various other points of interest.

Mrs. Walter Goebel is home and fully recuperated from recent surgery. This is good news, indeed.

Walter Goldstrom was rushed to Wesley Memorial hospital in Chicago Jan. 5 for an emergency appendectomy. He is home now and recuperating satisfactorily.

Mr. and Mrs. Dean Utter are the happy parents of a son named Thomas Noble, born Jan. 5 in St. Francis hospital.

Ann Marie Chodl has returned to school following a siege of mumps.

Rex Eaton, formerly of Monticello, Ind. and now studying at the Olivet Nazarene college, was the speaker at the NYPS and also the evening service at the Tinley Park Nazarene church Sunday. At the NYPS service, Mr. Eaton showed beautiful colored slides which he had taken while in service in Japan. His talk on living conditions and the religions of Japan was most enlightening.

While visiting in the East during the holidays, the Martin Bensons spent the night with the Harry Schmidts formerly of Pine Point drive, who now reside in Levittown, Pa.

Mr. and Mrs. George Hein proudly announce the birth of a baby girl, Elizabeth Anne, on her mother's birthday, Dec. 30, 1955 in the Ingalls Memorial hospital. She weighed eight pounds, four ounces. Her three sisters are justly proud of her.

Mrs. Robert Marshall is confined to her home with a bronchial condition.

Charles Fierke underwent a tonsilectomy Monday in the Hazelcrest hospital.

Sunday dinner guests of the Harold Zobacs were Mr. and Mrs. Eric Anderson of Cicero.

Mr. and Mrs. Carl Nelson and family, and Mrs. Zobac's father, Werner Gustafson.

Mr. and Mrs. Harry Schult of Blue Island and Mr. and Mrs. E. G. Johnson of Hubbard lane, attended the annual dinner given for Oldsmobile dealers, sales managers and their wives, Saturday. Dinner was served in the main ballroom of the Drake hotel, after which they attended the Automobile show at the International Amphitheatre. They were taken there in Greyhound buses with police escorts.

Larry Allen has been a member of the Lindeman family since Dec. 14, 1955. He was born in Ingalls Memorial hospital and weighed 9 pounds, 1 ounce. He is the son of Mr. and Mrs. Allen Lindeman.

The next regular meeting of the Tinley Park Garden club will be held next Thursday, Jan. 19 in the home of Mrs. Ava Funk. It will be a dessert luncheon at 12:30 and Mrs. Agnes O'Neill will have the program.

Must Reply to Questionnaire on Vet Pensions

The Illinois Veteran's commission today reminded veterans and widows of deceased veterans that they will soon receive an "Annual Income Questionnaire" if they have been receiving a pension from the government. Willard A. Manning, Administrator, urged recipients to return the questionnaire immediately to the Veterans Administration Failure to return the questionnaire will result in discontinuance of pension payments.

Pension benefits are granted widows, who meet all qualifications, and whose income is less than \$1400 without dependents or \$2700 with dependents. Pensions are also payable to veterans under the above income limitations who are suffering from non-service connected disabilities; the disabilities must be permanent and must be total.

Mr. Manning stated that pension rates for a veteran is \$66.15 monthly which increases to \$78.75 a month upon attaining age sixty-five. Attainment of age sixty-five is not an automatic qualification for payment of pension. The pension rate for a widow is \$50.40 monthly with additional allowance for minor children.

Additional information and assistance in the completion of the annual income questionnaire may be obtained at any of the Illinois Veterans' Commission offices throughout the state.

In Will county veterans should contact the Illinois Veterans' commission service officer at 201 North Ottawa st., Joliet. The office is open daily between the hours of 8:30 a.m. and 5:00 p.m. and on Saturday until noon.

George Washington left this country only once, for a trip to the West Indies.

Bettenhausen Cops Title Race on Coast

Tinley Flash Too Good for 'Diego Field

Tony Bettenhausen, Tinley Park auto dealer who is one of the ranking figures in car racing—big or little, brick, dirt or blacktop, has dusted off another title for himself. Tony won the 100-lap national championship midjet race in Balboa Stadium, San Diego.

The weather was bad, according to dispatches, but still more than 5,000 turned out to see the Tinley Flash outclass the field.

Tony started on the pole in the third row of the 18-car field, went to the front on the 68th lap and won in the time of 30 minutes, 32.18 seconds.

Various drivers were in front in the early stages of the race with Tony steadily gaining ground by cutting inside on the curves and on the 35th lap he was riding fourth. He was up to third on the 40th and second on the 43rd.

At the halfway mark Bettenhausen took out after the leader Joe Garson, and finally on the 68th lap Joe slipped out wide on a turn and that was it. Tony shot thru on the inside and after that he couldn't be headed.

Rich, Evergreen Basketeers Win, Bremen Loses

Teams in the Southwest Suburban conference basketball league were busy with outside competition last Saturday and fared rather well, thank you, with the exception of Bremen. Bremen lost to Thornton Fractional—a double-header. The Bremen varsity was on the short end of a 65 to 59 count and the frosh-soph also wound up with a total of 59 points while Fractional frosh counted 61.

Rich varsity clicked against Thornton of Harvey, winning 81 to 77 but Thornton's frosh-soph five was too much for Rich, winning by 10 points, 53 to 43.

Evergreen Park took on the Cadets of Morgan Park Military academy and dusted them off in both ends of a twin bill. The Evergreen majors won 65 to 53 but the frosh-soph contest was closer, the Evergreens winning 52 to 47.

When streets are icy, the Chicago Motor club warns, leave early to allow ample time to get to your destination.

Traffic accidents have killed over 970,373 Americans since 1903. Be alert when driving and walking ... don't be a statistic.

Rich, Evergreen Basketeers Win, Bremen Loses

Mat Crew at Sandburg Takes Two Out of Last Three Competitions

Coach Devine's grapplers defeated Thornton Fractional of Calumet City on Dec. 20, at Sandburg, by a score of 32-16. This was the Eagles 2nd straight win over a large school, as they defeated Oak Park, there, 26-23 on December 17.

Eagles who won by falls were John Janulis, Bill Pfersdorf, and Wayne Borre. Other Eagles winners were Frank Liston, Warner Semetis, Steve Johandes, and freshmen Al Jacklich and Bill Brosovich, who each won their first match of the season in Varsity competition. Brosovich, won on a forfeit.

On Jan. 3, the Eagle grapplers traveled to Downers Grove, where they were defeated in a very close match 26-23. The Eagles led after Johandes had pinned his opponent in the 165 lb. Class, but the Eagles lost both the 175 lb. and heavy-weight matches by falls, making the final score 26-23.

Winners for Sandburg were: By fall: Janulis, Pfersdorf, Liston and Steve Johandes. By decision: W. Semetis, and Bob Blaha. All three of the Eagles Tri-Captains won their matches against Downers Grove. This had happened only once before this season, against Lincoln-Way on November 29.

On Thursday, Jan. 5, the Eagles found their winning ways again by trouncing Kankakee, there 43-11. Sandburg won 9 of the 12 matches.

Sandburg matmen who won by falls were Janulis, Pfers-

Bremen Matmen Crush Mustangs; Are Riding High

In wrestling competition over the week-end, the Bremen high matmen crushed the Evergreen Park Mustangs, 40-6, there Friday and suffered only their second defeat in seven starts at the hands of Joliet, 23-21, on the home mats Saturday, Jan. 6.

Chalking up 10 wins in 12 contests, the Braves had their biggest day of the season as they scored five pins against the Mustangs.

Jim Gruhn, Fred King, Bob Fiddler, George Stelmach, and Joe O'Brien scored pins over their mat foes. Teammates Oda Drake, Jack Ruter, George Avellano, Ed Teichman, and Mack Jerkatis gained their verdicts by decision.

Leading 21-20 over Joliet, the Braves seemed headed for their sixth victory as sophomore heavyweight Ed Teichman held a 3-2 advantage over his opponent with less than a minute remaining. However, Bob Brust turned the tables by scoring an escape and was given the decision or riding time.

Bright spots in the Bremen line-up were Mack Jerkatis, 133 pounder and Jack Ruter, 120 pounds, as they notched their seventh consecutive wins without a set-back.

A conference clash pits Reavis against the Braves on the Bremen high mats Thursday evening, Jan. 12, at 4:30 p.m.

dorf, Liston, W. Semetis, Zinn, Bob Chatlosh, Borre, and Johandes. Blaha won by a decision.

Coach Devine's matmen, now in only their 2nd season of wrestling, have won 6 matches against six losses. This record is better than the record actually shows however, as the matmen have been meeting any and all competition, and have been more than holding their own considering the inexperience of several of the Sandburg squad.

The Eagles grapplers will travel to Hammond, Ind. tonight for a match, with Bishop Noll. It is scheduled to start at 7:30. Sandburg defeated Bishop Noll earlier this season by a score of 41-13.

Sandburg Five Loses Thriller to Plainfield

Sandburg's varsity basketball team lost a thrilling game at Plainfield last Friday night, 51-50. Thus, the Plainfield five gained revenge for the earlier 60-53 loss they had suffered at the hands of the Eagles. During last Friday's game the lead changed hands several times and would have been a heart-breaking loss for either team.

Free throws really paid off for Plainfield, as they scored 17 of 21 attempted gratis tosses while the Eagles could hit on only 10 of 19 attempted. Thus, a gratis toss became the margin of victory for Plainfield as they were outscored by the Eagles 20-17 from the field.

Sandburg led by a point, 23-27 at half-time, but a "cold" Eagle 3rd quarter (mixed with a "hot" 3rd quarter for the Plainfield team) left the Eagles

Braves Drop Pair of Tilts, One in League

The Bremen high quintet dropped a twin bill in basketball competition over the week-end.

After losing a Southwest Suburban tilt at Reavis, 64-49, on Saturday evening, the Braves were edged out in a non-conference clash Saturday on their home court by Fractional, 65-59.

With the score tied 16-16 at the close of the first frame, the Ram scoring machine dumped in 18 points while holding Bremen to 10 markers.

Leading 34-26 at half-time, the Reavis five added 9 tallies to its margin. In the final period the Rams held a 17-14 scoring edge for a decisive 64-49 conference victory.

Dick Peldzus of Reavis was high man for the contest as he chalked up 25 points.

Against Thornton Fractional, a South Suburban powerhouse, the Braves pulled to within one point late in the fourth quarter only to have the Meteors spurt ahead as Dick Karr connected for two quick field goals.

Trailing 34-26 at intermission, the Braves narrowed the gap in the third stanza as they outscored the Meteors 16-13. Thornton bounced back in the fourth frame by gaining a one point scoring advantage over the losers.

The 65-59 loss to the Meteors gives the Braves a season's record of three wins and five defeats.

Oak Lawn Taps L-W Cagers in Double Header

By Denny Wheeler
Spearheaded by center, Gordy Erickson and guard Bob Collier, the Oak Lawn Spartans took the Lincoln-Way Knights 79-65 on the home floor Friday night. The Knights held the Spartans exactly even for three quarters of the game, but a one-sided third quarter made the difference.

The Lincoln-Way cagers started out as if they meant business and before the Oaklawns knew it, the Knights had forged into an 8-2 lead. However, this did not last long and the Spartans steadily closed the gap and took over at the end of the first quarter, the score stood 21-10.

Spartans continued to increase their small margin thru-out the second period and when the half ended they held a scant 42-35 bulge.

Then came the ghastly third quarter. The Oak Lawn lads poured 24 markers thru the nets while the Knights were able to counter with only 10.

Lincoln-Way perked up in the fourth period and outscored the Spartans 20-13 in that frame. But, the pardon came too late and Oak Lawn went home happy, sporting a 79-65 win.

Red Wade sparked for the Knights as he sprayed the baskets with 22 points. The last two of these were scored on a spectacular "last second desperation shot" from midcourt. Gordy Erickson of Oak Lawn led all scorers with 28 tallies and Bob Collier took second honors for the quintet with 18.

The Little Knights (frosh-soph) dropped a heartbreaker in their contest 42-37. They held the lead for the initial three periods but blew it in the final period. They held a comparatively 16-11 margin at the close of the first period. At the half the Little Spartans had chopped the lead to 4 points; the score standing 23-19. In the third period the Spartans gnawed away to the extent of carving the lead to one skimpy point. The score was 31-30. Then the Knights' defense caved in and the Spartans finally won 42-37. Henry Jensen led the Little Knights with 10 markers. Closely following were Dave Zechlin with 9, Ken Weber with 8 and Eddie Donaldson with 7.

The Knights squads travel to Lemont for a rematch tomorrow night. The varsity looks for revenge for the embarrassing 62-58 defeat they took at the hands of the Lemonters. On Saturday night the Knights take on Reavis, who are not enjoying an over-successful season. So, on the basis of the Knights' fairly good performance of Friday, victories over the week-end are a thriving possibility.

with a seven point deficit at the end of the 3rd quarter. In the 4th quarter Plainfield led until Lee Marten pushed in his 2nd field goal of the night, to tie the score at 48-48, with 2:09 left to play. Plainfield then scored a field goal and a free throw (after controlling the ball with a semi-stall). The game's last scoring came when Anderson of the Eagles scored his 5th field goal of the game with only 22 seconds remaining making the score Sandburg 50 Plainfield 51.

Hamilton of Plainfield led all scoring with 8 field goals and 8 free throws for 24 points. Weingartner led the Eagles scoring with 16 points. Gee and Andersen each added 12 points to the Sandburg total.

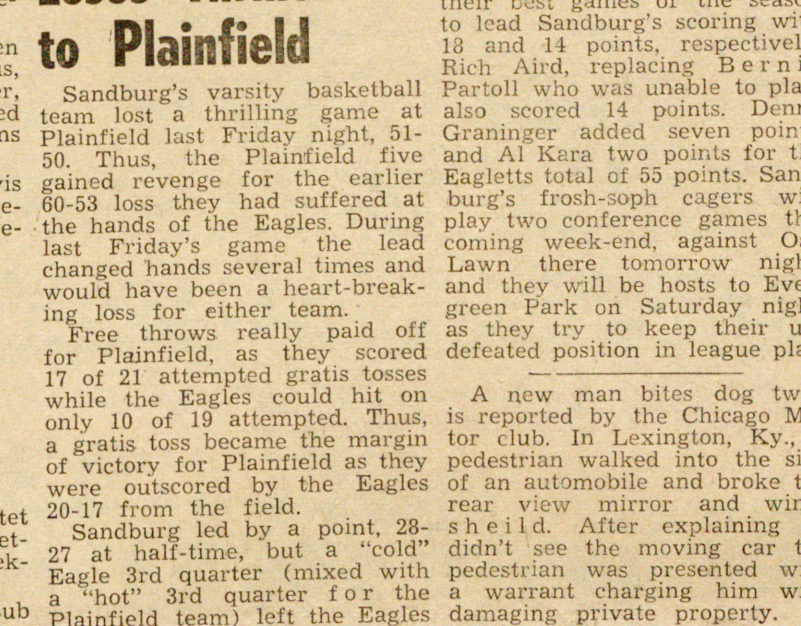

The Eagles will play two conference games this coming week-end, Oak Lawn there tomorrow (Friday) night, and Evergreen Park will be at Sandburg for a game on Saturday night. Two victories could give the Eagles a solid hold on 2nd place in the Southwestern Suburban Conference, led by Rich Township at the present time.

Five Straight
Sandburg's Eaglets continued their winning ways by defeating Plainfield for the 2nd time this season, 55-48. This was their fifth straight victory, and they have now won seven games, against only one loss, to Blue Island, for the season. The frosh-soph cagers of Coach Adams continue to be the undefeated Southwest Suburban conference leaders with four conference wins.

In last Friday's game, Russell of Plainfield hit 11 field goals and two free throws for 24 points, leading all scorers. Mark Hill, and Pat Ford both played their best games of the season 18 and 14 points, respectively. Rich Aird, replacing Bernie Partoll who was unable to play, also scored 14 points. Denny Graninger added seven points, and Al Kara two points for the Eaglets total of 55 points. Sandburg's frosh-soph cagers will play two conference games this coming week-end, against Oak Lawn there tomorrow night, and they will be hosts to Evergreen Park on Saturday night, as they try to keep their undefeated position in league play.

A new man bites dog twist is reported by the Chicago Motor club. In Lexington, Ky., a pedestrian walked into the side of an automobile and broke the rear view mirror and windshield. After explaining he didn't see the moving car the pedestrian was presented with a warrant charging him with damaging private property.

"LITTLE BILL" your electric friend, says: "Hours of entertainment for just pennies!"

Only 3 cents' worth of electricity brings you 4 hours of the best in drama, sports, and comedy on TV.

How Public Service Company keeps your electric bill down (while everything else goes up)

Most things have doubled in price ... but not electricity. Although you're using far more of it today, electricity actually costs you less per kilowatt-hour than in 1930.

One way we keep your electric bill low is through continuing research. Our engineers have found many ways of increasing efficiency of all kinds of standard equipment. Recently, for example, they added 15% to the load-carrying capacity of "pipe-type" cable simply by burying the line deeper.

As a result of this constant search for a "better way", today you're getting almost twice as much electricity for your money as you did 25 years ago.

Rock Island Had Good Year

The Rock Island Lines is completing its 103rd year in a sound financial and physical position. Downing B. Jenk's election to the presidency of the company was announced early in December. Former president, J. D. Farrington, has moved up into the newly created position of chairman of the board.

"Net income for the year is expected to be somewhat above \$16,000,000," says Mr. Jenk. Earnings on the common stock are estimated to be about \$11 a common share. In 1954 the Rock Island earned \$8.32 a share. During the year stockholders approved a plan to redeem \$65 million in 5 per cent convertible preferred stock and to sell 62.5 million in debentures.

By eliminating a preferred dividend requirement of \$3,234,000 a year and substituting the interest charges on the debentures, there is an after-tax saving of about \$1,800,000 annually. Stockholders and the Interstate Commerce Commission approved a 2 for 1 split of the common shares, effective December 20, 1955. The initial quarterly dividend

on the 2,921,549 common shares outstanding after the split, payable on March 31, 1956, is expected to be about 67 1/2 cents.

This is equal to \$5.40 per year on the 1,460,774 shares currently outstanding which are on a \$5 annual basis.

ONE 5-MILE DRIVE WILL PROVE IT

Your driving is easier—you feel safer—in THE BIG M

The stunning Mercury Montclair 2-door hardtop with distinctive low profile and Flo-Tone color styling.

Easier riding and handling on sharp turns—new comfort on bumpy roads—widest choice of safety features in its field help explain why THE BIG M is the big buy for 1956.

Riding is so much better than reading. That's why we invite you to take a demonstration drive in our BIG M.

Then you'll feel THE BIG M's reflex action firsthand—how ball-joint front suspension adjusts itself instantly to rough roads, ruts, and curves.

And you'll experience the reflex-action response of THE BIG M's new SAFETY-SURGE V-8 engine—how it takes the tension out

of passing, makes hill-climbing as effortless as breathing.

You'll discover the new peace of mind provided by THE BIG M's new Safety-First Design. For this year Mercury offers 10 new safety features, including the only impact-absorbing steering wheel in its field.

So see us for a test ride. Compare our prices and you'll find that THE BIG M is as easy to own as it is to drive.

BIG 4 OF THE BIG M

- 1 NEW REFLEX-ACTION PERFORMANCE.**
THE BIG M responds to your every command—go, stop, climb, pass—quick as an athlete's reflex. On all roads and curves, Mercury adjusts instantly, automatically, for your ease and comfort.
- 2 BIG M BEAUTY.**
New long, low profile. Distinctive Flo-Tone color styling. Clean-lined beauty for young-minded people.
- 3 NEW SAFETY-FIRST DESIGN.**
Widest choice of safety features; impact-absorbing steering wheel, safety door locks at no extra cost; padded instrument panel, safety belts, optional.
- 4 PROVABLE VALUE.**
Low price when you buy—low cost while you drive. For 4 years best resale value in its field. Many dividend features for greater performance and convenience.

The Good Luck Camp of Roy al Neighbors will meet in the Homer church social rooms on Thursday afternoon, Jan. 19. The hostesses will be Mrs. Mary White, Marion Ballew, Florence Homering and Dorothy Lister.

The Harold Drewes family were dinner guests at the Community Center Foundation last Wednesday evening. The first Wednesday of each month is known as "family" night at the Foundation. Potluck dinner is served at this time and the evening is spent in sociability.

Mr. and Mrs. Willard Rowley and Mrs. Caroline Ott were Wednesday visitors in the Willard Rowley, Jr. home in Princeton, where they helped David Rowley celebrate his birthday.

Mrs. Reed Burch spent several days recently helping to care for her father, George Lynn, in

Lockport, who has not been as well as usual.

Homer men who attended the Meat Promotion dinner, sponsored by the Will County Farm Bureau at Valley View restaurant, Mokena, Wednesday were Barney Welter, Merritt Cagwin and Robert Burch. They also assisted in the campaign of visiting merchants in nearby towns urging them to cooperate in the "more meat" program.

Ten members and several guests attended the interesting meeting Thursday of the King's Daughters in the home of Miss Myra Reed. Hostesses for the February meeting will be Mrs. Wilbur Francis and Mrs. E. A. Cary.

Mrs. Walter Konow is recovering from a recent illness.

Howard Rowley of LaCygne, Kans. spent a few days with relatives here, called by the death of his aunt, Mrs. Eva Jones.

The Rev. Philip Muth successfully underwent surgery early last week and expects to be back in Homer church pulpit on Sunday the 15th. Rev. England of the Chicago seminary ably supplied for Rev. Muth on the 8th.

Sunday afternoon visitors in the Henry Burch home were Mrs. Jacob Freehauf, Jacob Kolar, Mary and Arthur Stafford, all of Plainfield and Putnam Milne of Lockport.

Student Teacher Arrives
Miss Patricia Woller arrived at Lincoln-Way Tuesday to complete the semester as a practice teacher in the home economic department. Miss Woller is a senior at Illinois State Normal University where she is majoring in Home Economics.

During her stay here she will be assisting Mrs. Florence Butler and Miss Marilyn Doubet in their teaching. Before coming here, she was doing practice teaching at Auburn, Ill. She is staying with Miss Eunice Harra at her home in New Lenox. Miss Woller's home is near Urbana. She has been in this area only a short time but says that we have a fine school and the most modern homemaker department she has been in.

She will be going back to Normal after three weeks to start another semester of college work.

FTA Presents Skit

A group of students from the Future Teachers of America presented their radio skit before the PTA of the Ann Rutledge school last Monday night. The skit concerns an average high school senior who plans to make teaching his career. Tho laughed at and discouraged by his high school friends, he does not change his resolution. A favorite social studies teacher, also an important part in his decision.

Taking part in the presentation were Patty Dath, Pat Bradley, Pat Wilson, Donna Miller, Yvonne Piepenbrink, Charles Otto and Budd Lail.

Besides giving the skit, the group also shows how such a script is prepared for radio presentation. Bruce Damer and Lloyd Dods were in charge of the sound effects and recording.

FNA Enjoy Field Trip

The FNA visited the Illinois Masonic hospital at Chicago on Jan. 5, located on Wellington ave. It is the world's largest Masonic hospital. It has 400 beds plus a 25-bed children's ward and the nursery which holds 35 cribs. The girls were divided into three groups and taken on a guided tour thru the hospital and nurses home and school.

During the tour they went thru the central supply room where the sterilizers are located, the diet kitchen where special diets are planned and made up and the x-ray department, where x-rays are taken, stored and developed. They also saw two operations, one an appendectomy. The other rooms weren't quite so interesting, like the doctors' library, the dental clinic, the basal metabolism room, the pharmacy and the nurses' library.

But the most interesting part of the tour was the nursery. They were not allowed in it but were shown the babies thru the windows. There was one baby in an incubator which weighed 4 lbs. 11 oz. The girls enjoyed the trip very much and are more than ever determined to become nurses.

Number Lover's Corner

Answers to the last problems:
1. The bar must be broken into four pieces that weigh 1, 3, 9, and 27 pounds. To weigh a two pound object, place it and the one pound weight on one side and the three pound weight on the other. It is possible to weigh any object from 1-40 pounds in this manner simply by shifting the weights. See if you can figure out each.
2. He would have more than \$10,700,000. Nice, if you can get it!

Now Try These

Here's a good problem involving mathematical reasoning. With a little study and thought, try and find the position of each man on the team.

1. Joe and the third baseman live in the same building.
2. Bob, Joe, Frank and the catcher were beaten at golf by the second baseman.
3. Ed was a very close friend of the catcher.
4. The center fielder was taller than the right fielder.
5. The shortstop, the third baseman and Frank each like to get to the races.
6. The pitcher's wife was the third baseman's sister.
7. Bob and Harry each won \$500 from the pitcher at poker.
8. The catcher and the third baseman each had two children.
9. Jim decided to get a divorce.

10. All of the battery and infield, excepting Harry, Joe and Ed, were shorter than Jim.
11. Bill and the outfielders liked to play gin rummy together whenever they could.
12. Jack was taller than Frank. Tom was shorter than Frank. Each of them weighed more than the first baseman.
13. One of the outfielders was either Tom or Ed.
14. Bill, Bob and Jack, the center fielder, and the right fielder were bachelors. The others were married.
15. Bob, Ed and the shortstop were teetotalers.

How About This one?

The square root of the year my grandfather was born when subtracted from the square root of the year in which my daughter was born, gives my grandfather's age when he died. If my grandfather had lived I would have been exactly half his age in 1943. How old was I then?

Student Councils to Meet

Jim Warning, Marilyn Cooper, Garrett White and Jim Anderson represented the student councils of all conference schools held at Reavis high school yesterday, Jan. 11. This meeting is the second of the current school year. The first meeting was held at Evergreen Park high school in November.

The main purpose of these student council meetings is to help each school in the conference with their common problems. This is the best way in which our school and Student Council can keep informed on some of the new ideas and ways of handling problems which invariably come about.

FFA Sells Seeds

The Lincoln-Way FFA is again pounding on doors in their annual garden seed sales campaign which began Tuesday, Jan. 3 and will continue four weeks. The three Vo-Ag classes are furiously competing for the trip to the State FFA convention or a three day trip to the State Fair at Springfield. One or the other will be awarded the winning class.

Weekly individual prizes are being awarded to high salesmen. To the winner over the entire four week period, a new FFA jacket will be given.

Mr. Van Rheeden, the instructor,

said he may surprise the unfortunate losing teams with a severe penalty such as washing the windows inside and out. Last year's penalty was to have been the thoro cleaning of all the windows in the Ag department, but the janitors somehow beat them to it. That can't happen again!

FTA Gets Charter

The Future Teachers of America have received the charter which shows that they officially belong to the National Education association. Membership shows that the club really wants to learn about the opportunities in teaching, cultivate the character qualities essential in a teacher, study the lives of great teachers, and foster the development of student leadership.

An interesting activity which the FTA plans for the second semester is to visit a college in which most of the group is interested. It has not been decided which college will be visited.

Practical Arts

The area of practical arts was featured at the January meeting of the Lincoln-Way Parent-Teacher group. Earl Dieken, coordinator of the program, explained the goals of the six areas are homemaking, industrial arts, agriculture, arts and crafts, typing and music appreciation.

Kenneth Kinney, with four of his freshmen students, demonstrated more thoroughly some of the aims and accomplishments of the arts and crafts section. Numerous objects made by the students were on display.

Pat Bradley explained clay modeling which involves, she said, two separate methods called "pinch and pull" and "coil." Donna Miller discussed paper mache sculpture which requires only newspaper, paste, string, paint and plenty imagination.

To speak for plaster of Paris carving was David Donaldson. A mold, carving instruments, paints and also a great deal of imagination are needed.

Sue Kellogg explained what is called toothpick sculpture. Patience, and lots of it, seems to be the prerequisite to success in toothpick sculpture. The objects exhibited showed clearly the imagination of the sculptors. One bore the interesting title of "Migraine Headache."

Forsees Gain in Expenditures for Research

Annual expenditures by American industry and government for scientific research and development can be expected to increase at least 50 per cent during the coming decade.

The belief was expressed by Dr. Haldon A. Leedy, director of Armour Research Foundation of Illinois Institute of Technology, Chicago, in a year-end statement.

Leedy cited a recent federal government estimate placing the country's gross national product at \$540 billion in 1955.

"Research expenditures," he stated, "currently amount to about \$4 billion—1.1 per cent of the gross national product."

"If this figure is applied to the value of the goods and services the country is expected to produce in 1956, a total research

volume of about \$6 billion is indicated."

Leedy said the \$6 billion research estimate must be considered as being "on the conservative side."

He pointed out that for many years research and development expenditures have represented a steadily increasing percentage of the gross national product. Research appropriations have risen from 0.1 per cent of the gross national product in 1920 to 1.1 per cent in 1955, he explained.

"A continuation of this trend," he added, "will increase research investments by many millions each year."

Leedy cited two major reasons for the steadily increasing industry interest in research:

1. The growing realization that research "pays off handsomely" in sales and profits.

2. The necessity to increase man-hour output because of a population that is rising faster than the labor force.

He referred to U. S. Department of Commerce figures which showed that the nation's population has increased more than 13 per cent in the last seven years, while the total labor force has grown only 6.3 per cent in the same period.

"A similar trend can be expected to prevail thru the next decade or two," he said.

Leedy said research will be given added incentive as the result of recent developments in

science, particularly in the atomic energy, electronic, aeronautical, and automation fields.

Automation will be a boon to mankind, Leedy believes.

Concerning its effect on employment, he pointed out that "automation is coming at a time when the total population is increasing faster than the number of people available for productive work, and therefore will result in a minimum of dislocations in business and industry."

"Automation also will act as a deterrent to inflation, the danger of which is always present in an expanding economy, by increasing efficiency in the volume production of goods and services."

"Like other advances in pro-

duction efficiency, automation will improve quality, lower costs, and widen markets."

There will result also, he added, "a general upgrading of the labor force, with resultant better jobs and higher pay."

The American clipper ship era was from 1850 to 1860.
